Public Comment:

No public comment.

New Business:

- Jon met with Phil Page and Chris Rogers (EJP) to discuss the Creamery Rd Bridge water line replacement. Phil approved EJP's service truck onto the bridge, Chris anticipates a couple of days to replace the pipes and fittings.
- The VTrans permit for installing a sleeve and new water line at the Williams property on the Upper Plain has been approved.
- It's almost time to order more of the return envelopes used for billing. The question was raised about keeping them, in which the commission has decided to do so.

Chief Operators Report:

A copy of the Operators Report was provided to the Commissioners at the meeting.

Lunnie Lang made a motion to approve the Chief Operators Report.

MOTION PASSED, UNANIMOUSLY. (5-0)

Old Business:

Larry Russ has spoken with Gavin Read since our last meeting, Gavin still needs to speak with ARC about the ROW to access the field where we spread sludge.

Other Business:

- It was brought to Jon's attention that the house located at 1252 Fairground Rd would like the option of being connected to town water. Jon and the Commission discussed the pro's and con's and while there are other homes in the same vicinity that have town water, pressure becomes a huge issue. Because of the elevation of this house the Commission thinks it's best for the resident to seek alternate options.

- Jon will be on vacation for our next meeting scheduled for October 9th. The Commission decided to change the date of the next meeting to October 16th so Jon can attend.
Lunnie Lang made a motion to approve the date change for the next meeting to October 16, 2019.
MOTION PASSED, UNANIMOUSLY. (5-0)
