

Addendum to Decision on Site Plan Hearing for Town of Bradford (Landowner) and Casella Waste Management (Applicant)

A revision to the Site Plan for the Trash and Recycling Center was made by Casella in conjunction with the Town of Bradford.

The changes were:

1. The size of the Attendants Building will now be 12' X 20'.
2. Concrete pad is now 64' on one side and 78' on another side so that the compactors can be staggered. This will be easier for people can access both compactors without squeezing between the two.

The revised site plan will be included in the parcel file.
